

Commercial Tire Maintenance, Monitoring, Inflation

**THIS FORM MUST BE RETURNED WITH YOUR DEFECTIVE
MATERIAL TO AiRGO SYSTEMS**

Return Goods Authorization (RGA)(valid for 10 days)

RGA# _____

Date: _____

Dear Valued Customer: You have received this RGA letter in response to a WARRANTY PARTS REQUEST received at AiRGO Corporate Offices. The following warranty tracking program has been put in place for failure investigation and/or assurance of proper installation and usage. This program's intent is to provide a reliable, defect free product to our customers. After receiving your RGA number the parts are to be returned to AiRGO within 10 business days. Our analysis will determine if the product was installed and used properly. Your returned parts must not be over three years old and that will be determined by the invoice copy.

PLEASE NOTE: A copy of the sales invoice for prove of ownership, should be attached to this form and placed in the box with the RGA parts. We thank you for your cooperation in this matter. All replacement parts will be shipped UPS ground.

RETURN THE DEFECTIVE PART to:

AiRGO Systems
ATTN: Warranty Claims Department
520 Airport Road, #2, Guthrie, OK 73044

(*RGA NUMBER MUST BE WRITTEN ON THE OUTSIDE OF THE RETURN BOX OR
YOUR PACKAGE WILL BE REJECTED.)

1. Fill out the remainder of this form and include it in your package. Upon receipt of the defective part and required documentation, each component will be evaluated for warranty failures or defects. If a component is deemed not to fall under the warranty agreement, a rejection letter will be returned with an explanation for denial.
